

Music Supervision

✖ Music supervisors are essential for selecting the perfect music cues for film, television or other visual media. The Specialization in Music Supervision equips students with the skills needed to get started in this field, including knowledge of how music impacts the visual medium, the technical and legal components of music placement, and how to manage a musical budget and production for a project.

Students will receive an Award of Completion once the Music Supervision Specialization course requirements are met.

Approximate Program Tuition: \$2,800

Approximate Cost of Books and Materials: \$250

Specialization Candidacy Fee: \$50

Duration: 2 quarters (full-time course of study) to 1 year

Unit Requirement: 16
